Annual Meeting Discussion

Front Light

As some of you may have noticed, the spot light in the front of subdivision was malfunctioning and was subsequently disconnected. We are in the process of getting quotes to address this issue.

Lawn Maintenance

After bidding out the lawn service for the subdivision, the MHA board has voted to renew Chris Hardin's contract.

Budget

Similar to last year, in order to avoid a Special Assessment and paying out of pocket when the repairs are required, the attendees at the Annual Meeting agreed that it was best to continue to add to our savings and plan for larger projects in the years to come.

Pets

Don't forget to pick up after your 4 legged friend.

Nextdoor - and now Facebook!

The subdivision will continue to utilize the App/website Nextdoor. We now have another option for communication, our new Facebook Group: Milford Heights Association Group!

<https://www.facebook.com/groups/MilfordHeights/>

This is a closed group that will need an administrator to allow access for individuals to view the content. It will also be moderated and if anything inappropriate is posted, it will be removed. This will be for neighborhood communication and updates. The website will still be maintained for external use, for example realtors and prospective buyers to review bylaws. Look for an invitation in your inbox!
