Annual Meeting Discussion

Budget / Dues

During the past several years, the MHA Board has been able to plan ahead and save for any upcoming rainy days. Although we do not expect to be able to reduce the dues indefinitely, the MHA Board proposed lowering the dues slightly for the upcoming year to \$125.

Solar Panels

Two different homeowners have approached the Board and asked about the possibility of adding solar panels to their homes. While the Board is supportive of alternate forms of energy, it is the consensus that solar panels do not look attractive. After reviewing the amount of homes that would first, have adequate sunlight and second, be able to install the panels in a manner where they are not visible to neighbors, very few homes would fit the criteria. That said, it is the view of the Board and the homeowners at the Annual Meeting that solar panels **should not** be permitted at all and an amendment to the bylaws should be drafted.

Mailboxes

We will continue the process of removing old mailboxes that are very rusted or damaged. If anyone would like to join us, we would welcome the help.

Staying in Touch

For some years we have an MHA email list for communication. We also have Nextdoor as well as Facebook Group: Milford Heights Association Group. Since we do not utilize the Nextdoor group, there was discussion about possibly decommissioning this group in lieu of Facebook and email.
